 Email: info@rougespa.co.za

Facilities:

Rouge actively encourages the use of the sun deck, swimming pool and jacuzzi - before or after your treatment - so please bring a bathing suit/bikini if you wish to fully enjoy the Rouge Spa Experience.

Refreshments & light snacks available.

To make your Rouge Spa experience more memorable, we suggest the following:

Arrive 15 mins prior to your appointment to allow time to fill in the consultation form and shower before your treatment if necessary. Towels, robes, slippers and disposable underwear are supplied by Rouge for your convenience. Please inform your therapist if you have any health conditions so that they can advise you accordingly as to what treatments may be contrary to that condition.

Cancellation Policy:

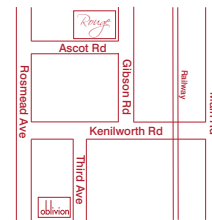

As most of our treatments require time for preparation, please give 24 hours notice should you wish to cancel. A 50% fee will be charged should you fail to arrive without giving notice. We will however assist in rescheduling your appointment. In the event of late arrivals, treatment duration will be reduced accordingly, however we will try our best to ensure that the quality of your treatment is not compromised. 50% deposit will be required on all group bookings and day packages.

No Children Policy:

For the comfort & safety of our guests, we operate a no children policy.
